

Dear Parent,

We hope you've been having an amazing summer! As another school year approaches, we wanted to tell you about some changes you may notice when using the Saint Pius X lunch ordering platform this year. First, the service we use, Orderlunches, is now called Boonli. While the software has a new name, the platform still provides the same secure and time-saving features, but with some additional benefits:

- Starting in early fall, the platform will be mobile ready! Once that update goes into effect, you will be able to log in from anywhere – smartphone, tablet or computer – and order meals.
- The platform saves you valuable time and makes finding what you're looking for even easier.
- You'll discover a new way to order with color-coded features, so at-a-glance you can see how many items are in your cart, what orders have been placed and the total number of users with an order each day.
- Like always, you'll be able to star favorite items, so the platform will automatically select them every time they are offered.
- After saving an order, if you'd like to copy that order to other users it's as easy as a click of a button.
- Navigation is simple – just click on the menu icon in the upper left-hand corner to open up tabs to your order history, profile, program information and help menu.

If you have any questions, please let us know.

See the next page for directions on how to get started ordering lunches for the 2017-2018 school year. The hot lunch program will start on 8/21/17.

Ordering window for August orders is 8/1/17 until 8/14/17

Ordering window for September orders is 8/1/17 until 8/28/17

Enjoy the final weeks of summer!
